

Silo Hall, 3 East Street, Auckland Central - Access Information

Mobility Parking

There is a mobility parking bay at the top of East Street. Approximately 15 metres away from the venue and across the road.

For flat foot path access (i.e. no curb), go up to the top of East Street to cross the road to the side Silo Hall is on.

Silo Hall Building Facade

The primary entrance is the gated entrance under the arch. Entrance without steps is immediately right of this (brown double doors).

Silo Hall Entrances

Primary Entrance

Approximately 2.5 steps

Steps dimensions: 13cm (height) 182.5cm (length)

Secondary Entrance

A small lip at the entrance.

Lip dimensions: 9cm at deepest end (left side), 1cm at shallowest end (right side)

Doorway dimensions: 179.5cm (length), 229cm (height)

There will be a Front of House person to greet you - if you are booking through iTicket, feel free to leave a note in the provided box at booking so we can make sure you are attended to.

The venue is fully flat floor after entering.

Through the secondary entrance:

There is a narrower egress point.

Egress dimensions: 176cm (height), 83cm (length)

Toilets

The toilets are flat floor entrance, there are no handlebars for support. Please note: there is only one toilet at Silo Hall. Audience members with access needs will be prioritised.

Doorway dimensions: 199cm (height) x 82cm (length)

Seating for the show

The seating is **general admission** with mixed seating.

If required, the seats circled on the left are designated to be removed for wheelchair users and reserved for companions in advance.

If you require a sturdier seat, let our ushers know and they can swap it out for you.

Performance information

Doors will be open **30 minutes pre-show** to allow for early seating.
